**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Leave sonic alone.

I chose sonic not only because of their competitive prices, but also because they are a local company that strives to help small businesses and residents who are fed up with monopolized Internet options.

Competition is good for everyone. If you dont understand that, then you dont understand America.

So lets take a deep breath and realize that there are dozens of brands of jeans, cars, burger joints, and craft breweries, so why shouldnt we have the same choice when it comes to choosing Internet providers?
